WINE TASTINGS

Our doors are open again which means we welcome you to planned tastings **up to 6 people** at our winery.

What? 6 different wines which give you an overview of our portfolio
How long? Around one hour
How much? 15€ per person, that can be offset against the purchase
How? With appointment in advance, best contact:
halloservusgriasdi@markusaltenburger.com

If you already got used to Online-Meetings & Co or anyway like to drink at home – according to the motto “don’t drink and drive”, we have the right thing for you: our **Online Tasting**.

Works like this:

You order the wines you are interested in from our Online-Shop www.jungenberg.at and we send them to you including wine descriptions. Beside this we arrange an appointment where we try the wines together virtually for around one hour.

For inquiries please also contact halloservusgriasdi@markusaltenburger.com!

We are looking forward to meeting you!
